# FOREWORD

In the pages of this book we have attempted to chronicle the events of the 1957-58 school year. As the college increases in size and importance in the field of higher education in Arkansas, we feel that *The Indian* should reflect this progress. This volume of *The Indian* is the largest ever published by Arkansas State College as measured by the number of pages and the number of students pictured. Ninety-seven percent of the student body have an individual picture in this volume. We realize that we have not been able to picture a part of every activity on the campus, but we have included a good cross section of the life on the campus.

## OUR CAMPUS

THE EDUCATION BUILDING was erected in 1936. Courses in Education, Psychology, and Social Science are taught in approximately 15 classrooms.

THE ADMINISTRATION BUILDING was erected in 1932 to replace the old administration building which had burned the previous year. The Ad building houses all the administrative offices of Arkansas State College as well as the Library, Bookstore, and Wigwam.

The WOMEN'S NEW DORM was erected in 1954 and is one of the most modern dormitories on campus. The dorm serves as "a home away from home" for approximately 85 girls.

*... and there is always time for harmonizing.*

*When time comes for relaxing, you can always find a record party in full swing.*

THE NEW MEN'S DORM is one of the newest dorms on campus. It was built in 1954 and houses 90 upperclassmen. The dormitory is completely modern.

THE COLLEGE CLUB was erected in 1930 as a faculty apartment building. To meet the growing demand for more dormitory space on campus, it was converted into a boys' dorm. Approximately 60 boys live in the dorm during the school year.

DANNER HALL was built in 1933 under one of the first WPA programs in the United States. Danner is named for Mr. W. S. Danner, a long time member of the Arkansas State College Board of Trustees and benefactors of ASC. The dorm is the home of over 200 boys.

BARNHART HALL was built in 1912 and is one of the oldest buildings on campus. The dormitory houses approximately 50 students.

LEWIS HALL was built in 1912, soon after the college was founded. Lewis is home for 45 girls.

WOMEN'S RESIDENCE HALL was erected in 1933 and is the largest girls dorm on campus. It houses 150 girls during the regular school year. Each of ASC's three sororities have their clubrooms in the basement of the building.

THE GYMNASIUM is the scene of all home basketball games. It also serves as classrooms for courses in Health and Physical Education.

THE AGRICULTURE BUILDING was built in 1938 and serves as a classroom for all agriculture majors and minors. There are approximately 10 classrooms in the building.

THE FINE ARTS BUILDING was built in 1919 and was re-modeled last year in order to supply students with more practice and classrooms. It now has approximately 40 classrooms, offices, and practice rooms.

THE SCIENCE BUILDING was built in 1939. The building has approximately 50 classrooms and offices, a rifle range and a drill hall within its walls. Courses in Mathematics, Science, and engineering are taught in this building.

THE HANGAR BUILDING was built in 1943 in order to teach courses in flying at Arkansas State. Flying has disappeared from the curricular, but the hangar remains. It now houses the Physical Plant and serves as a dorm for football players.

THE ARMORY was built last year to house the 327th AAA National Guard Battalion. The building also provides ROTC classrooms and offices.

THE HEALTH CENTER was built in 1912 and remodeled in 1951 and now houses a modern infirmary.

THE PRESIDENT'S HOME is a brick, colonial type home that nestles quietly among the trees at 1903 Nettleton Road. The house is the scene of a special get acquainted party, The Presidents' Reception, every fall.

COLLEGE CIRCLE is a housing development for the faculty of Arkansas State College and their families. All homes in the development are modern and are located within walking distance of the campus.

THE DAIRY BARN was erected in 1938. The ASC Dairy is a commerical enterprise and provides laboratory facilities for agriculture majors.

INDIAN Village is a housing development of 50 homes set aside, by the college, for married students. It was built in 1955 as a low rent development for college students.

THE PRINT SHOP was originally a gym. In 1954 it became The Print Shop. All college publications such as "The Herald" and "The Chief" are printed here.

Dean James Walter Turner

September 21, 1892 —  
October 13, 1957

Dean J. Walter Turner came to A. S. C. as Dean of the College in 1947. He served in that capacity until 1954. From that time until his death he served as Dean of Basic Education and Extension Director.

Dean Turner fulfilled his obligations with dignity and vision during the period when Arkansas State College was beginning the great increase in students and faculty, which is still continuing. His wise counsel and friendly greeting will be missed by those who knew him during his service at A. S. C.

## In Memoriam

Mrs. Mabel Krick

June 4, 1900 — August 25, 1957

Mrs. Mabel Krick had served since 1946 as Reference Librarian for the college. She was an efficient and conscientious member of the staff and was always ready and willing to lend a helping hand to students and faculty as they sought information from the library.

Her presence will be missed, but she leaves a host of friends at A. S. C. who can never forget the dignity and charm which she radiated each day she was among us.

Alpha Gamma Delta Sorority was founded at Syracuse University under the direction of Dr. Wellesley F. Coddington on May 30, 1904. It has been a leading Greek organization since that time.

The Epsilon Zeta Chapter of the Alpha Gamma Delta was the first national sorority on the campus of ASC. It was founded on May 8, 1948, when two local sororities, Delta Beta Chi and Alpha Tau Zeta, combined their membership. Phyllis Ford, who had worked long and hard for the merger, was elected the sorority's first president.

The Annual Alpha Gamma Delta Talent Show is the Alpha Gam highlight of the year. Proceeds from this activity go to the School for Cerebral Palsied children at Jackson, Arkansas. Other events of the school year were the Christmas party, where the tree was decorated with dollars for the school at Jackson and a Valentine party at the school. All of these were undertaken to further the Altruistic project — helping cerebral palsied children.

Taking an active interest in campus activities, the sorority received honorable mention for its homecoming display and was the only sorority to place in the contest. The Epsilon Zeta chapter was awarded the Silver Tray for having the highest scholastic standing in the Epsilon Province for the past three years. The Sorority also took second place in the intramural softball tournament.

Alpha Omicron Pi Sorority was founded by Jessie Wallace Hughan, Elizabeth Heywood Wyman, Stella Stern Perry and Helen St. Clair at Barnard College in New York on January 2, 1897.

The Sigma Omicron chapter was founded at Arkansas State on February 27, 1949 under the leadership of Jo Ann Baker. Since that time, the sorority has been a leader in campus activities.

Each year Alpha Omicron Pi undertakes various projects for worthwhile charity organizations. One of these projects is the annual "All Greek Songfest", in which a trophy is awarded to the Greek organization who has the best vocal group on campus. Proceeds from this activity go to the Heart Fund. Other projects which were undertaken by the sorority this year were the selling of Muons at Homecoming, Dyeing Easter eggs for the annual Easter egg hunt for the children of Jonesboro and contributing to the National AOPi project, Frontier Nursing.

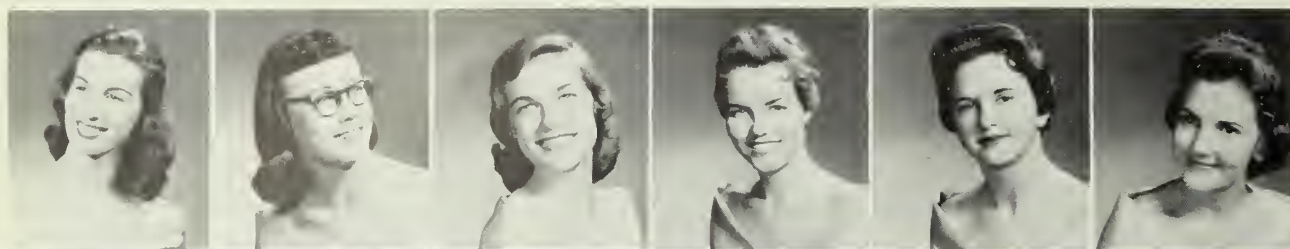

The Highlight of the Alpha Omicron Pi year came when the chapter held its annual "Rose Ball", a Formal dance. The theme for this year's dance was "Stardust". Other Sorority activities for the year included the chapter's spring picnic and its annual "Spring Dance". The AOPi's along with the Sigma Pi's won the Phi Mu Playhouse for the second year.

Phi Mu Fraternity was founded on March 4, 1852 at Wesleyan College. It is the second oldest sorority in the nation.

The Epsilon Delta Chapter of Phi Mu was founded at Arkansas State in 1950 under the leadership of Ellen Williams, the sorority's first president. Other girls who played key roles in founding the chapter were Jackie White, June Harrington, Martha Hobson, and Janiasena Mays.

Sorority projects have been closely related to service for children. The sorority contributes to a toy cart at St. Bernard's hospital and the proceeds from the annual Phi Mu Playhouse go to child care. The pledge project for the year was assisting disabled veterans in the selling of poppies.

The Sorority sponsors the annual Phi Mu Playhouse every year. This activity gives Arkansas State's Amateur thespians a chance to get into the limelight. Each of A-State's seven Greek organizations and the Association of Independent Students compete in this event.

Epsilon Delta Chapter of Phi Mu walked away with all three awards at the district convention this year. The sorority awards were outstanding chapter of the district, scholarship, and the scrapbook award.

The Pi Kappa Alpha Fraternity was founded on the campus of the University of Virginia on March 1st, 1868. It is a member of "The Virginia Circle" of Greek Letter organizations.

The Delta Theta Chapter of Pi Kappa Alpha was chartered at Arkansas State College on March 13, 1948. Men who were instrumental in securing the charter were Dr. W. W. Nedrow, Billy Ruddell, Byron Curtner, Roy Adkins, and Jeff Smith. Billy Vern Ruddell was elected the first president of the organization.

Since its charter Pi Kappa Alpha has won many awards for outstanding work on and off the campus. The organization participates in all activities that the school offers and many others.

In the ten years that Pi Kappa Alpha has been on campus it has won some twenty first prize trophies and awards. These were won from activity in intramurals, talent shows, song fests, homecoming displays and others. Among the fraternity's most coveted awards is the All Greek Scholarship trophy which is presented each year to the Greek Organization with the highest scholastic average. Pi Kappa has won this award five out of the last six years.

The Pikes have dominated the intramural sports scene for the past two years. During the 1956-57 school year, the Pikes won the football, basketball, swimming, and softball championships. The club's volleyball team placed second in competition.

The Sigma Phi Epsilon Fraternity was founded in 1901 on the campus of the University of Virginia. It is also a member of "The Virginia Circle" of Greek organizations.

The Arkansas Gamma Chapter of Sigma Phi Epsilon was founded on the campus of Arkansas State in 1955. The organization had been known as the Pyramid Club before that time. Individuals who played an important part in the founding of the organization were Bill Keith, Donald Bailey, Bobby Legg, Eugene Stillions, John Whitten, Bill Clark, and Mr. Lloyd Haring.

Since its charter was granted, Sigma Phi Epsilon has become one of the leading organizations on the campus of Arkansas State, both from the social and scholastic standpoint. The chapter won the All Greek Scholastic Trophy for the fall semester.

The Sig Eps sponsor two dances each year, one formal dance, The Queen of Hearts Ball, and one costume dance, The Bootlegger's Brawl. Both dances are gala events of the school year.

Highlighting the Sigma Phi Epsilon year was the Fraternity's District Seven Leadership school which was held on the A-State Campus, March 1st. Sigma Phi Epsilon Chapters from a three state area attended the leadership school. The Queen of Hearts Ball was held March 2 and brought a stylish end to the activities.

The Sig Eps, as a worthwhile project, helped with the Craighead and Greene County Heart Funds this year. The members of the Fraternity covered the rural areas around Jonesboro and Paragould for contributions.

The Alpha Pi Chapter of the Sigma Pi Fraternity was granted a charter on March 4, 1948 to become the first National Fraternity on the Campus of ASC. Until that time the organization had operated as Zeta Tau Zeta, a local fraternity. The Fraternity elected Bob Wilmoth, who had been active in gaining the national charter, as its first president. Other members who played an important part in the activation of the organization were Bob Ferralasco, Charles Watson, John Easley, Dan Burge, Donald Baker and Joe Snodgrass.

Since the granting of its charter the Alpha Pi Chapter has been very active in college and student activities. The Fraternity has rolled up an impressive record in all phases of campus life, scholastic and socially. When this copy went to press, which was around March 15, the Sigma Pi's were undefeated in intramural Football, Basketball, and Volleyball.

The Social Events for the Sigma Pi's this year were The Frontier Ball, where the Wild West ruled for a night, and the Orchid Ball, the crowning of their sweetheart was the major event at this formal dance.

The Sigma Pi Fraternity has been responsible for many improvements around the campus. Each semester, a project is picked by the Pledge Class. In the past two semesters, the Sigma Pi Pledge class has been responsible for several sidewalks and benches which now dot the campus.

The Beta Psi Chapter of Tau Kappa Epsilon was granted a charter on March 6, 1949. It had operated for a number of years as a local fraternity bearing the name Delta Omega Sigma. Individuals who played an important part in the founding of the organization were James Sloan, who later became the Fraternity's first president, Ned Penny, Edwin Mathis, Dallas Wright, and Denver Patrick.

Since that time, Tau Kappa Epsilon has played an important role in campus life at Arkansas State, taking part in all college activities and serving the people of Jonesboro in every way possible.

Each year The Beta Psi Chapter sponsors the "Teke Finger Bowl", when the Tekes challenge the Intramural Football Champions. All the trimmings of the Rose Bowl are transported to A-State for this event. A parade through the entire campus highlights the morning activities. The Finger Bowl takes place in the afternoon, with the Tekes running roughshod over all competition.

The TEKES, always active in all phases of campus life, placed first in the Homecoming Display competition and placed second in the Intramural Football League.

The organization also collected toys for the Goodfellows at Christmas. These toys were given to the underprivileged children of Jonesboro.

"The Festival of The Red Carnation" on April 15 brought a highly successful year to a close for Tau Kappa Epsilon.

The Veterans Club was organized in September of 1956 under the leadership of Harold Davis, who later became the club's first president. Other individuals who played an important part in the club's organization were Tom French, Darrell Johnson, Bob Fielder, Duke Faulkner, Jim Stephens, Robert Yates and Ronald Slayton.

Since its organization, the club has played an important part in the campus life at Arkansas State. Among its many projects to help the college in any way possible has been a sign at the entrance of A-State, built by the members of the club. The club also poured concrete sidewalks in Indian Village. The Veterans Club also maintains a blood bank at St. Bernard's Hospital which is used by the hospital in charity cases.

The Veterans Club sponsors one formal dance a year. This is the annual "Stardust Ball" which is held in December.

1957 was the first year that the Vets had competed with the other organizations on campus in intramural activity, the Club's football team took third place in the intramural league.

ASC-13 SIU-6

TD's by Caldwell and Riggs and heads-up defensive play by the entire team, especially Romeo, allowed the Redskins to upset favored Southern Illinois University in a hard fought contest, 13-6. The victory was an all out team effort and started the season off in fine style.

*Florence players look disgusted as the Indians score.*

ASC-15

FLORENCE STATE-13

Bill Caldwell's right foot spelled the difference at Kays Field. The Tribe was trailing Florence 13-12 when Caldwell kicked a field goal with less than three minutes left in the contest. It was a close game all the way as the Lions seemed determined to upset the Indian applecart, and almost did it. Final Score ASC 15 - Florence State 13.

ASC-13

MISSISSIPPI STATE-47

The Indians stepped up into big-time competition as they took on the big, tough Maroons. While in the process of absorbing a 47-13 loss, the Indians did manage to score two TD's by passes against the nation's leading team in pass defense, as Billings connected with Gray and Cissell in the end zone.

*Indian reserves watch the game anxiously.*

ASC-32      SOUTHEASTERN OKLAHOMA STATE-7

Homecoming Day at ASC was a fine one for the home fans as their Indians tromped Southeast Oklahoma 32-7. Cissell, Romeo, and Ridgeway scored touchdowns, and Riggs tallied two. The big, tough Indian line spelled trouble for the Savages all afternoon, as Farella, Robak and Grassmeyer played an outstanding game.

ASC-19 LOUISIANA TECH-25

The Tech Bulldogs jumped off to a commanding lead, then fought off a furious comeback by the Indians as they won the game 25-19. Cissell, Robinson, and Billings scored as the Indians tried to overcome Tech's lead, but found that they had waited a little late to get their attack under-way.

ASC-27      MURRAY STATE-20

After spotting the Thoroughbreds two touchdowns, the Indians came back and won a hard-earned victory 27-20. Riggs, Caldwell, Billings, and Cissell scored TD's as the Redskins played good ball and received excellent support from the bench. During the course of the game, the Tribe held Murray scoreless while they scored all four of their markers.

#### ASC-0 MEMPHIS STATE-34

The Redskin eleven could not solve the Tiger riddle, and as a result, the Paint Bucket stayed in Memphis. Memphis State took advantage of Indian errors, of which there were plenty, and fashioned a 34-0 win. The game, much closer than the score indicated, was marked by fumbles and intercepted passes, that the Bengals used to good advantage.

*After the season closed, Frank Farella was named to the NAIA Little All-American Squad.*

*After the football season ended, Coach Harlow resigned. Coach Taylor is shown inking his contract as new head coach. Coach Taylor was a former Pro-football player, having played with the Washington Redskins eight years and established many pro-football records. A native of Arkansas, he came to A. S. C. from Florida State University.*

ASC-13

ARKANSAS TECH-21

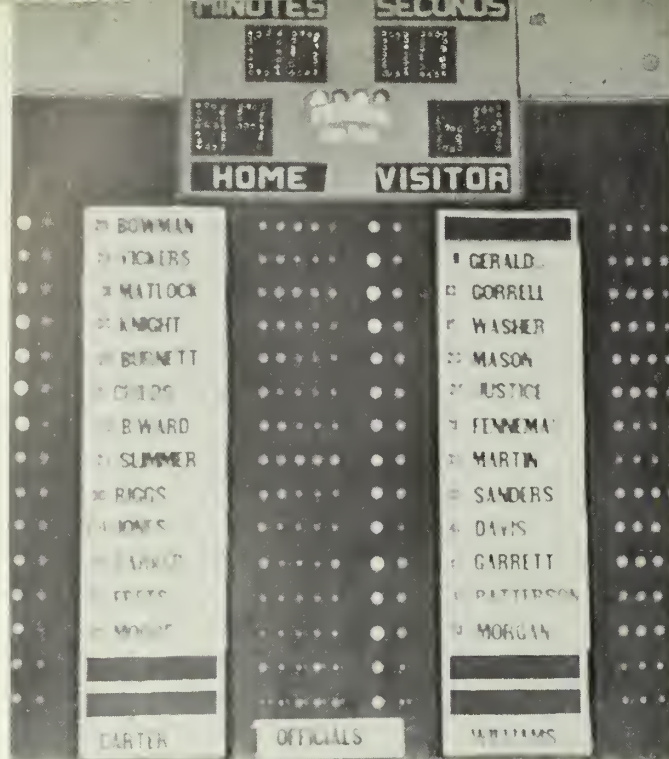

Seven A-State seniors playing their last game in college saw their efforts, and those of their team go for naught in the last battle of the season against Arkansas Tech. Although the Indians dominated the statistics, they fell short in the scoring department. TD's by Bramlett and Caldwell just weren't enough as the Tribe lost 21-13.

The Indian starters: Matlock, Vickers, Bowman, Childs, and Burnett

The Graduating Seniors: Jimmy Bowman, Kenneth Knight, and Bob Parker

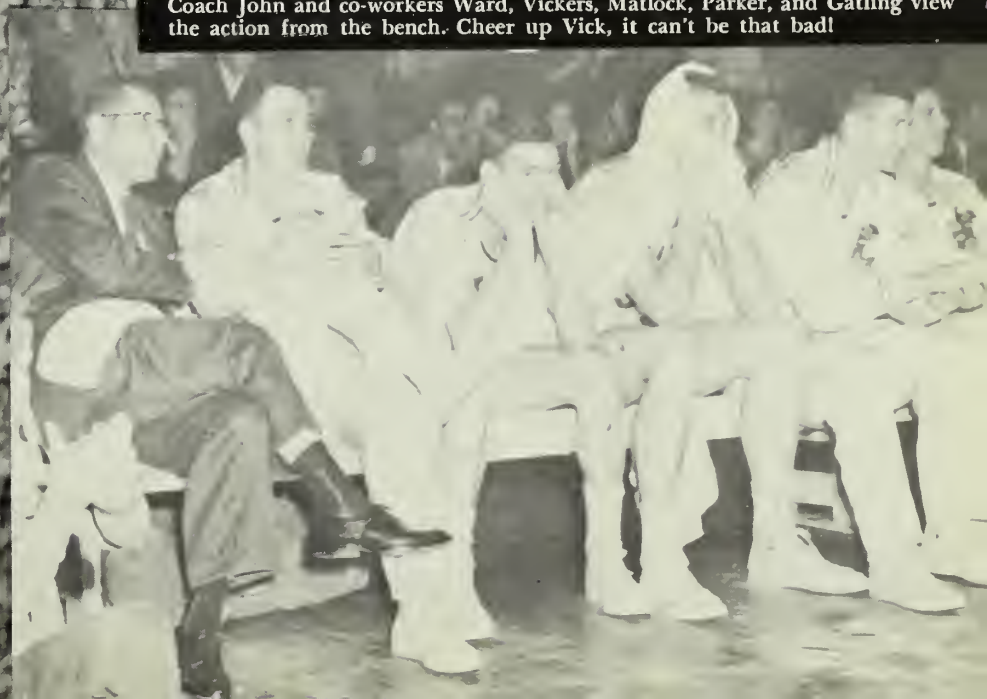

The Tribe finished the season with a fine 17-8 record against tough competition. The improvement of Burnett, Bowman, and Matlock, along with the addition of Ralph Childs and the always good rebounding of Norm Vickers were the chief factors in an excellent season. They were helped by good bench strength in the persons of Bob Ward, Lynn Slimmer, Bob Parker, and freshmen "Spider" Jones and John Gatling. No team beat the Redskins twice last season. Of particular interest was the Indian's home record of 14-1. The team was a colorful one, especially when Coach John Rauth's "shock troops" were employed. Another colorful contrast was 6'7" John Matlock playing alongside 5'6" Jerry "Tiger" Burnett. Little "Tiger" was the Tribe's leading scorer with 377 points, and that in his sophomore year.

Indian fans expect their team to be even better next year as they lose only three men through graduation. Here's hoping the Rauthmen can come through for their backers!

## NCAA PLAY OFF

Regis was tough

Matlock vs. Centenary

Arkansas State College's Indians finished the season in fine style, playing the last two games of the season at NCAA Southwest Regional Tournament at Springfield, Mo. The Redskins were in competition with some of the best college division teams in the country. Regis College of Denver, Colorado, defeated them in the opening round by the squeaky final score of 47-48. This game was filled with action right up until the final buzzer. During the last half, the lead changed hands 10 times. It was Regis' Dennis Boone who proved to be the Indians most prominent menace. The shifty guard put Regis into the lead, 46-45, with less than 45 seconds remaining. Then, after the Indian's Jimmy Bowman scored on a tip-in, Boone scored the last points on a 30-foot jump shot with only three seconds left. It was the toughest loss of the year for the Redskins. But, they didn't let down following the disastrous defeat. Next evening they played a fine team from Centenary College in the consolation round and trounced them easily. Ralph Childs, Jerry Burnett, and Jimmy Bowman all scored well in the game. Bowman was the high-scorer with 26 and Burnett followed with 23. Final score in the game was Arkansas State 83, Centenary 70. One of the highlights of the tournament was the selection of an all-tournament team. Arkansas State's Jimmy Bowman was chosen. The Lake City senior was the tournament's high-scorer with a total of 43 points.

The fans really supported the team.

# THE MEN BEHIND THE TEAM

With only ten lettermen back from last year's squad, the A-State Baseball Indians will be faced with a serious problem, a lack of experience and depth. Along with this problem comes another in the form of the 1958 schedule, which is the roughest in State's history.

The outlook isn't all together dark, however. A number of promising freshmen have reported for practice and with the aid of the returning lettermen, such as Gifford Reynolds, Don Riggs, Wayne McElrath and Tommy Phillips, should help the team considerably.

Coach I. A. "Ike" Tomlinson

The Pitching Staff — Left to right, kneeling: Paul Frets, Bo Moore, L. D. Parker, Tommy Phillips, Harris Townsend and Tommy Paul. Standing: Joe Pickens, Al Hoffman, Billy Jones, Joe Littlejohn, and A. L. Gatewood.

Second row: Abel, Greenwood, Caldwell, Townsley, Pickett, Bowman, Carter, Reynolds, Jones, Coke, and Coach Tomlinson. Third row: Collins, Guinn, Morris, Lamb, Goodman, Bowland, Riggs, Nugent, Shoemaker, and Graham.

# AMERICA'S FAVORITE PASTIME BASEBALL

*First row: Ralph Childs, Neil Abel, Jim Bowland and Norris Guinn. Second row: Carl Coke, Jim Bowman, Bill Caldwell, Jim Lamb and Don Shoemaker.*

The Indian infield looks better than it has in several years. Although veteran first baseman Jim Bowman and second baseman Neil Abel are the only returning lettermen, the infield will be strong with freshman Norris Guinn shaping into a splendid third sacker and sure-gloved Ralph Childs ready to go at shortstop. The quartet is expected to drive in its share of runs too.

The Indian outfield was well manned by Wayne McElrath, the team's leading hitter last year, Don Riggs, a specialist at stealing bases, and Freshman Andy Morris, considered a fine prospect. Riggs was the team's third leading hitter last year. All in all, Redskin fans were well pleased with the outfield for the 1958 season.

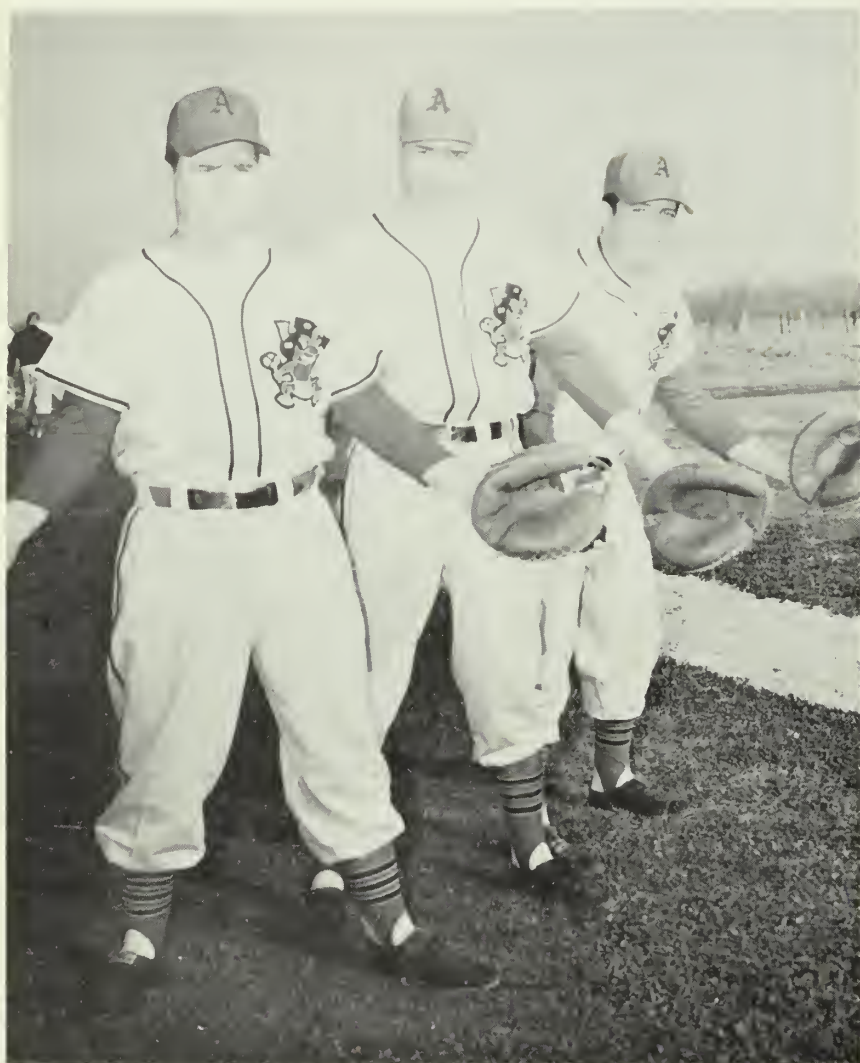

*The Indian outfield — Left to Right: Andy Morris, Max Carter, Wayne McElrath, Don Riggs, and A. J. Nugent.*

# BASEBALL

## TAKE ME OUT . . .

Indian catchers Sonny Goodman, Giff Reynolds, and Tank Graham.

Coach "Ike" Tomlinson's hardballers got off to a slow start because of wet weather, but came on in the later stages to post a good record against some top notch competition.

The Tribe's catching department was in fine shape with seasoned veteran Giff Reynolds as starter. Reynolds' experience and glove work have been a mainstay in the Indian infield for several years. Tribe supporters had a backstopping crew of which they could be proud.

Third Baseman Bill Caldwell.

# TO THE BALL GAME

# BASEBALL

The Indians seemed to be in good shape as far as manpower is concerned, when the season started. Veterans Wayne McElrath and Don Riggs in the outfield, and Jimmy Bowman and Giff Reynolds in the infield, formed the nucleus of a team well fixed for freshman prospects. Seasoned pitchers Joe Pickett, A. L. Gatewood, Tommy Phillips, and Glen Frets led some outstanding new prospects including Bill Jones and Milburn "Bo" Moore.

Outfielder Don Riggs

Shortstop Ralph Childs and first baseman Jim Bowman teamed up with second sacker Neal Abel to form the Redskins' double play combination. Both Abel and Childs are experienced players, although this was their first year to start for the Indians.

Relay Team — Don Hindman, Victor Waites, Jack Kenley, Winford Holloway and Sam Nugent.

*Watson, Howell, and Latimer show some of their talent in practice.*

With only five returning lettermen from the 1957 Squad which lost only one meet, the ASC Thinclads and Coach Bob Denton were faced with a job of rebuilding this year. Prospects were bright due to the fine crop of Freshmen that showed up at the initial drill, but the weatherman intervened and bad weather hampered the Indians until their first track encounter of the year with Mississippi College. As this Annual goes to press, the Track outlook at Arkansas State College is very bright indeed.

## A PLAN WITH A PURPOSE

Blue Cross-Blue Shield, devoted to the purpose of providing Hospital, Doctor and Surgical Care for its members on a non-profit basis, has grown by leaps and bounds! Only 27 years ago, since its inception, the number of members has increased to a mighty 54,000,000; 210,000 of which are in Arkansas. This figure means that one in every three persons is a member of Blue Cross-Blue Shield.

The reasons for its success are simple and clear . . . people have learned to trust . . . to believe in Blue Cross-Blue Shield . . . they know it is an honest, dependable Plan with a purpose. There is no better reputation than the enthusiasm expressed by its many members.

Many members are surprised at the ease with which Blue Cross-Blue Shield members gain admittance to hospitals . . . in fact all that is necessary is to present the Identification Card

## A PLAN FOR THE FUTURE

Blue Cross-Blue Shield is flexible, young, energetic and alert. Realizing that the cost of Hospital care and Doctors' services are constantly changing, the Plan broadened the benefits of every member. Its promise and its plan for the future . . . to keep pace with modern health care. As hospital care costs rise, Blue Cross-Blue Shield benefits rise, also.

Blue Cross-Blue Shield provides membership for the self-employed, the housewife, the non-working and employed groups. Each member has come to know the peace of mind that accompanies each membership . . . they know they have PROTECTION WHEN THEY NEED IT MOST!
